

OKURA RESIDENTS CIVIL DEFENCE CONTACT INFORMATION

Some years ago, an emergency “persons” checklist was set up by the Okura Ratepayers & Residents Association (ORRA) for all Okura Residents wanting to take part. This list was set up to ensure that residents in our Community can be contacted and accounted for should the need arise in a State of Emergency. Since then, the ORRA has created an Emergency Response Group (ERG) along with an Okura Neighbourhood response plan (NRR), overseen by the Auckland Council Civil Defence Team. The NRR aims to provide an effective, planned civil defence response that links the community and the civil defence organisations in Auckland. These plans are prepared to provide communities with response plans in the event that the community is required to respond to any civil defence emergency or take action in advance of any civil defence emergency to prevent potentially devastating effects)- as per the CD site.

As personal details change, or new residents come into Okura, we like to update the information in our database.

This list is not compulsory, but we urge everyone to get behind this, for the safety of your family. Your information will be kept confidential - within the ORRA Committee - and will only be used in a situation that has been declared an “Emergency”.

Please fill out the info below and return to #42 Okura River Rd (letterbox is fine)
or phone Nick Morgan 473 1985 or email morganmusicnick@gmail.com

1. Street Name _____ 2. Street # _____
